Play Lampasas Here Friday

Cameron Yoemen Whip Rockdale 28-14 In Season's First Game

Cameron's Yoemen launched their season Friday night by romping to a 28-14 win over the Rockdale Tigers.

The Tigers scored twice first and showed good defensive playing by Leslie Doss, McFae, and Tice, but the Cameron offensive drives took their toll and the Yoemen had the game under their thumb during the second half.

The Yoemen will meet the Lampasas Badgers in the season's second game this Friday night, September 18. It has been several years since the teams have met and Cameron, a District 23 favorite, is slated for a big win. Some predictions place the coming score at Cameron 20, Lampasas 7.

Single seat reserved tickets are now on sale at the superintendent's office at Yoe High School. General admission tickets are being sold by members of the student body.

The Cameron-Rockdale tussle on the 11th opened with Cameron kicking off to Henry Ellison who ran from his 22 yard line to the 30 where he was downed by Jimmy Hauk.

The Tigers immediately drove forward with a barrage of six plays that ended in the first score of the season. On the first play after the opening kickoff, Louis Patterson plowed through left tackle for 45 yards to the Cameron 23 where he was nailed by Jimmy Rettig. After three line bucks that netted only three yards, Quarterbackk Edward Grubbs faded from the T-slot and heaved a 23-yard pass to Patterson who was waiting in the end zone to chalk up the tally. Letterman Billy Cook's kick hit the mark and the scoreboard showed Rockdale 7, Cameron 0.

After the next kick-off and a see-saw battle, David Yount punted from the Rockdale 24 yard line to the Cameron 25, where the ball was snatched up by Rettig, who pounded 73 yards down the turf to the Rockdale two, where he was knocked out of bounds by Harrison, only to have the play called back on a clipping penalty which left Cameron in charge on their own 25.

Before the first quarter ended, Cameron sparked another drive drive on passes from Arnold Warren to End Charlie Eanes that piled up 75 yards but no points.

In the second quarter, Rockdale took over on their own two-yard line after a punt and in two plays ran the ball to their own 20. Grubbs passed to Patterson on the 30 yard line and Patterson took off for a 70 yard scoring dash. The kick for extra point was good, making it 14-0 favor of Rockdale.

Cameron's offense picked up after the second Rockdale tally and the game shifted to the Rockdale end of the field. Buddy Thompson started a Cameron drive from his 42 yard line, and went to the Rockdale 46 on his first play. Three plays later, Rettig chalked up a first down with a 10 yard run to the Rockdale 30. Then Thompson raced to the 18 and two plays later, he plowed 10 more yards for another first down. A 5-yard penalty for offside put the ball on the Rockdale two-yard line. Rettig plowed over for the first Cameron score. The ball was fumbled on the extra point try, and the score was 14 to 6.

After the kick-off, Rockdale held the ball for four plays when Cameron took over and started a drive from their own 45. On running plays Rettig got nine yards, Thompson got 10, Warren made six, Thompson 14, which moved the ball to the Rockdale 15 yard line. Then Leonard made 7 making it first and goal on the Rockdale eight.

The Rockdale defense gave up only 6 yards in three plays, making it fourth down and two, when Thompson smashed through center for the score. Zotz' kick was good, making it 13-14.

In the third quarter, Cameron held the ball for all but seven plays.

After Warren had a pass intercepted on the Rockdale 8, Cameron's Cryer got the ball back on an interception on the next play and ran for a TD. Zotz' kick was good.

Another Cameron drive pushed the ball to the Rockdale goal line, where the Tigers got the ball on their five, were penalized to their one-yard line and a bad pass from center on an attempted punt gave Cameron a safety, making it 22-14.

Cameron scored in the fourth quarter on a 37-yard pass from Warren to Rettig and the game ended 28-14.

Friday Football

With the exception of Georgetown, all of Cameron's future opponents for this season played football Friday night.

Their scores were as follows:
*Rosebud 6, Hearne 0.
*La Vega 7, *Gatesville 0.
*Killeen 7, *Belton 2.
Waco B 7, *Lampasas 6.
*Caldwell 14, *Taylor 0.
*Denotes future Cameron opponent.

Shirley Scarborough Is National Guard Sweetheart

By Lloyd Albertson

A capacity crowd of moviegoers who filled the 77 Drive-In Theater Sunday evening witnessed the showing of "Thunderbirds" and, in a brief program, saw members of Battery C, 649th Anti-aircraft Artillery Battalion, present their newly chosen Guard Sweetheart.

Winner of the "Sweetheart of Battery C" Contest was Miss Shirley Scarborough, daughter of

Mrs. V. J. Brod of Cameron. An attractive brunette, she was sponsored by Sgt. Louis W. Hollas of Battery C. She made her entrance at the theater during the intermission, arriving in a new Dodge automobile furnished by Schiller Motors.

Miss Scarborough wore a ballerina-length gown of white tulle trimmed in red piping. Beneath the bouffant skirt of tiered ruffles she wore white brocaded evening slippers. The strapless bodice was covered with a tulle stole. Rhinestone earrings and necklace completed her costume.

She was presented to the movie audience by Lt. Eugene A. Mees, who gave her a bouquet of red roses from the officers and men of Battery C. She also received arrangements of cut flowers from Mr. and Mrs. Milton Brown, Cameron Herald publisher; Schiller Motors; Glass, the Florist; Billy Joe Parrish, representative of Rainbow Bread; and the management of the 77 Drive-In Theater.

Other gifts presented to Miss Scarborough by local firms were: from Coca-Cola Bottling Co., 4 cartons of Coca-Cola; McAtee Sinclair Service Station, wash job on car; Richter's Beauty Shoppe, shampoo and set; Katherine's Salon, shampoo and set; New Cameron Drug Store, gift; Matula Cash Grocery, $2.50 in merchandise; Mack's Oil Co., Cannon bath room towel set; Cameron Cafe, dinner with all the trimmings; W. A. L. Robinson Texaco Station, 5 gallons of gas; 77 Drive-In Theater, passes for one month; Dr. Pepper Co., 4 cartons of Dr. Pepper; Cato's, pair ladies' silk hose; Berniece's Dress Shoppe, gift; and Markham's Cleaners, $2.50 in service.

Following the presentation of Miss Scarborough, six young men were sworn into Battery C by Capt. James T. Terry, the commanding Officer. They were: Johnny W. Elsenberg, Clifford T. Boswell, Lawrence J. Kostroun, Henry C. Hubnik, Cecil W. Baker and Donald W. Mees. Elsenberg is a former member of Battery C with the rank of Sergeant first class; the others are all new Guardsmen getting their first experience with military training.

Nino Sanchez, Jr., little son of Mr. and Mrs. Nino Sanchez of Cameron, is a patient in Newton Memorial Hospital.

Blood Donor Day In Rockdale Set For September 25

Members of the Rockdale Chamber of Commerce Civic Affairs Committee and the Rockdale Red Cross made plans this week for the next Milam County blood donation program. Friday, September 25, has been designated as Blood Donor Day in Rockdale.

The Red Cross mobile unit will probably use the American Legion Hall for the one-day drive.

Mrs. Sara Bankston and Mrs. John T. Hale are co-chairmen of the volunteer worker recruitment plan.

Others assisting with the program will be Byron Welch and S. Burton Smith.

The last visit of the mobile unit to Rockdale proper was made on Feb. 25 when 92 pints of blood were collected. On June 24 the bloodmobile visited Alcoa and collected 79 pints.

Yoe Council, Classes Elect New Officers

At a recent election of the Yoe High School student body, Miss Marguerite Hickman was named president of the Student Council. Other officers were elected in a meeting of the council Tuesday. Those elected are: Vice-president, Anne Hinyard; secretary, Ann Wimberly; and reporter, John D. Reichert.

The Student Council meets every Tuesday and Thursday of the week under the sponsorship of Mrs. Herbert Nance. Projects are undertaken and the council plays an important part in the life of the student body.

During the football season, the council provides ribbons for the games, while a new project has just recently been undertaken. After the arrival of a new flag, the council will take the responsibility of raising it every morning, a tradition which hasn't been practiced for some time.

Members of the council were elected last spring by each of the classes. Those serving from Senior Class are: Anne Hinyard, Carolyn Russell, Nancy Lawrence, Henrietta Slavik, LaVerne Dodson, and Marguerite Hickman. The Junior class members are: Lillie Ann Kekel, Nancy Kubish, Carroll William Boecker, Ann Wimberly and Edna Vybiral. The Sophomore class elected the following people: Joyce Nicholson, Betsy Vogelsang, and Nick Nabours. From the Freshman class, John D. Reichert and Carol Ann Sanders.

The four Yoe High School classes held their first class meetings this week, and elected the class officers and queen candidates for the current school term.

Elected to head the Freshmen class as president is John D. Reichert. Other officers are: Vice president, Carol Ann Sanders; secretary-treasurer, Johnny Solomon and reporter, Franklin Moore. The Freshmen elected Billie McCall as their queen candidate.

Buddy Thompson was elected president of the Sophomore Class. The Sophomores named the following to fill the rest of the positions: Betsy Vogelsang, vice president; Joyce Nicholson, secretary-treasurer; Joyce Edmonds, reporter; and Jane Pitts as the queen candidate.

The Junior Class named Fred Petmecky as president; Albert Mondrik, vice president; Joyce Wallace, secretary - treasurer; Wayne Wisher, reporter and Marilee Hughen, queen candidate.

G. Childress was elected prexy of the Senior class. Other officers are: Vice-president, Allan Schiller; secretary-treasurer, Donald Rose; and reporter, Barbara Aigner. Barbara Aigner was also selected as the Senior class queen candidate.

Bulldogs Will Play Three Home Games This Fall

The O. J. Thomas Bulldogs' football schedule as follows:

Oct. 16	Rosebud	Here
Oct. 23	Taylor	There
Oct. 30	Caldwell	There
Nov. 6	Open	
Nov. 13	Rockdale (Homecoming)	Here

The Bulldogs are members of the District 7-A conference and the team is coached by D. F. Poole and E. L. Aycox. Co-Captains chosen are: Arthur Kelly and Bobby Freeman.

The Bulldogs lost their first game of the season to Dunbar High of Temple, 6-0.

The development of cashew nut plantations on a large scale is being fostered as a source of revenue in Nigeria. The high value of phenol ($850 a ton) derived from cashew oil is responsible for cultivation of this crop, says the American Peoples Encyclopedia Yearbook for 1953.

Mrs. Lyle McDermott of Cameron is recovering from surgery in Newton Memorial Hospital.

Council Discusses Street Closing

At the regular City Council meeting Tuesday night, the main topic for discussion was the probable closing of Washington Street, between 19th and 21st Streets.

Closing of this street would locate the elementary and high school buildings on one continuous block, cancelling any dangerous thoroughfare. No final action has been taken on this matter pending action by the Cameron Independent School Board.

It is proposed that the school board open the street on the eastern boundary of the school.

Members attending the meeting were: Mayor O. B. Horstmann, Roy Baskin, Joe Richter, Robert Weems, Gene Blake, Johnny Andres, B. Slocomb, Milton Schiller and Miss Neomi Needham.

Colored Woman Held In Sunday Shooting Of Thorndale Man

Elizabeth Williams, colored, is being held in the Rockdale jail in connection with the Sunday evening shooting of Willie Franklin, colored, of Thorndale.

About 7 p. m. Sunday Franklin and Bertie B. Porter of Thorndale entered the Last Chance Cafe in Rockdale where Elizabeth Williams is employed as bar-tender. Miss William reached under the counter, pulled out a .38 Colt, and shot Franklin once through the leg. He jumped up and ran, followed by Bertie Porter. As Franklin got in his car, Miss Williams fired again, missing him.

Franklin returned to the cafe a short time later, picked up Miss Porter, and went to the police.

Miss Williams was arrested by the police and interrogated by Sheriff Carl C. Black and County Attorney Jim Miller. She admitted she had shot Franklin over jealousy. He had been going with her before going with Miss Porter.

Miss Williams has been filed on for disturbing the peace and is being held in the Rockdale jail pending the outcome of Franklin's injury. Charges of assault with a deadly weapon will probably be filed at a later date.

Franklin is being treated at Richards Clinic in Rockdale.

Crowds at Youth Revival; Early Service Friday

First Baptist Church was filled to capacity Tuesday night as the Youth Revival began its third evening service.

Rev. Edwin Mays, pastor of the Georgetown First Baptist Church, Mrs. Mays and twenty-odd young Georgetown people were visitors for the evening. Miss Dodie Dorsett, a member of the group, sang an inspiring rendition of "Blessed Redeemer."

Seventy persons were present for the 7:30 a. m. service Wednesday morning, the largest number so far.

In order that those who wish to may attend the football game Friday night, a special early service has been planned. Beginning at 6:30 p. m., the service will end at 7:15.

Monthly Meeting Of Farm Bureau to Be Held September 17

The monthly general meeting of the Milam County Farm Bureau will be held Thursday night, September 17, at 8 p. m. at the Simon-George Hall.

Highlights of the program include the showing of films of a recent trip taken by Mr. and Mrs. Alvin Dusek, and musical selections.

Everyone is urged to attend this meeting.

Two Charged With Assault in Friday Night Stabbing

Charged with assault in the Friday night stabbing of Oran Baker, 19, are Aaron Johnson 18, and Willie Lee Johnson, 21.

The three and Elbert Tindell, all colored, engaged in a street fight about 10 p. m. Friday on West 15th Street in front of Brown Stinnett's. The Johnson brothers and Tindell were all fighting against Baker. During the fracas Aaron stabbed Baker in the chest and back.

Baker was taken to Newton Memorial Hospital for treatment. He was released Monday morning.

Tindell was fined for his part in the affair and the Johnson brothers are now being held in the County Jail.

These same men were fined September 5 for fighting with one another.

Mrs. George Bales, son, Johnnie, and daughter, George Ann, of Lampasas, spent Sunday in the home of Mr. and Mrs. Gordon Miller. Johnnie has just returned from Korea, but will report to Fort Bliss, El Paso, after spending awhile with his parents.

Miss Helen Reichert Becomes Bride of Charles A. Brady, Jr.

In an evening ceremony on Saturday, September 12, Miss Helen Marcelle Reichert became the bride of Charles A. Brady, Jr. The vows were said by candlelight in the First Presbyterian Church with Rev. Solomon, pastor, reading the double ring rites.

The bride is the daughter of Mr. and Mrs. Rufus Reichert of Cameron. The groom's parents are Mr. and Mrs. Charles Brady, Sr., of Cameron.

Floor baskets of white asters and mums graced either side of a tall candelabra.

Mrs. L. P. Moore, organist, played "Because" and the traditional wedding marches.

For her wedding gown, the bride chose tucked tulle over satin fashioned with full waltz-length skirt. The fitted bodice ended in brief shirred sleeves. Her shoulder length veil of illusion fell from a tiny satin cap. Sheer nylon mitts and white opera pumps completed her attire. She carried a white, purple-throated orchid showered with net and satin streamers.

The tradition of something old, new, borrowed and blue was fulfilled. She wore a string of pearls, gift of the bridegroom.

Miss Ruth Reichert was her sister's only attendant. She was dressed in a mauve silk shantung dress designed similar to the bride's. She wore a matching halo hat and carried a Colonial bouquet of Baby Bonnet asters circled by orchid satin loops.

The groom wore a navy suit with white boutonniere. Preston Reichert, brother of the bride, served as best man.

Mrs. Reichert, mother of the bride, wore a rust cotton dress with navy accessories. Mrs. Brady, the groom's mother, was attired in navy sheer with matching accessories. Both wore corsages of white asters.

Following the ceremony a small reception was given at the home of the bride's parents.

The Colonial bouquet centered the lace covered refreshment table. Mrs. L. G. Smith of Conroe served the double heart wedding cake which was ornamented with pastel flowers. Mrs. Grady Allen, Jr., poured punch.

When the couple left for a wedding trip to Colorado, the bride was wearing a suit of navy Thomas cotton with pink gloves. Her other accessories were navy and her corsage, a white orchid.

Upon their return, Mr. and Mrs. Brady will make their home in Cameron where he is associated with his father at the B&B Studio.

In addition to members of the families, Mr. and Mrs. H. P. Culpepper and Mr. and Mrs. L. P. Moore of Rogers attended the wedding.

Mrs. James Gunn Honored Monday With Baby Shower

Mrs. Edmund Anthony was hostess Monday evening at a baby shower honoring Mrs. James Gunn.

The fourteen guests fitted together halves of baby picture puzzles to find partners for the evening.

Partners embroidered animal quilt blocks in a 45-minute race to achieve the prettiest one. Mrs. J. R. Folke, mother of the honoree, was presented the prize of two baby items, which she gave to her daughter. The blocks will later be made into a quilt.

The refreshment table was decorated with a baby in a pink cradle, overlooked by a long-legged stork. Mrs. Guy Chandler served the cake, decorated with colored animals in the form of a quilt. Chicken sandwiches, jelled salad, nuts, mints and iced drinks completed the menu. Pink and blue napkins were folded and pinned like diapers.

Mrs. Gunn's gifts were piled on baby scales which rested on a satin baby comfort. She received many lovely gifts.

CLINIC REPORT

"Can You Ignore Such Results—"

RHEUMATISM

CASE NO. 1593: A lady, 64 years of age, weighing 164 lbs., came to our clinic complaining of knees that hurt all the time, aching legs, constant backache, constipation which required daily laxatives, indigestion, with shortness of breath, rapid heart, fluttering in her stomach, and increasing nervousness. After a spinal analysis disclosed defective energization, we X-rayed the spinal areas indicated and began a series of specific adjustments to restore alignment and remove the interference in her nerve wave distribution. In due time she was discharged with a spinal correction. She reported all her previous complaints had vanished. She returned to visit the other day and said that she had no complaints and felt years younger, happier, and full of pep.

GALL BLADDER TROUBLE:

CASE NO. 2257: This lady was suffering from a very serious Gall Bladder disorder (gall bladder removal had been advised). Arthrictic rheumatism, nervousness, extreme weakness, and unsteady, dizzy feeling were other symptoms given upon entrance. X-ray spinal analysis revealed misaligned vertebrae in the spine. Specific adjustments were given and in a short time the patient reported she was well and able to do her own work.

NERVOUSNESS

CASE NO. 1516: This is a young lady, age 33, who had been very nervous for years, suffered severe headaches daily,, had a visible goitre, tight smothering and choking sensations, visible tremours of hands, and had a tender gall bladder. After treatments over the years failed and she was growing worse all the time she finally came to our chiropractic clinic for a spinal analysis and after X-rays disclosed a spinal subluxation as the cause of her trouble; we began specific adjustments to release the nerve wave interference and realign the spine. Upon discharge there was no visible sign of the goitre, or any other symptoms. The powerful internal forces were released and normal function over the entire body became possible again.

HIGH BLOOD PRESSURE:

Lady, age 67, suffered with high blood pressure most of her life. Condition grew steadily worse. Chiropractic adjustments removed nerve pressure and flushness and dizzy spells ceased, blood pressure returned to normal and this lady enjoyed general good health.

THE LITTLE RIVER PHILOSOPHER UNWORRIED OVER MAN WHO ADDS FASTER THAN AN ADDING MACHINE; DECLINES TO COMPETE

Editor's note: The Little River Philosopher on his Johnson grass farm at Marlow is out of his territory again this week, talking about adding machines. He still adds on his fingers and writes with a pencil on tablet paper.

I was sittin out here on my farm the other afternoon enjoyin the September sunshine and toying with some ideas I've been going over on push-button farmin, we've already got push-button warfare, you know, some Generals in Washington push a button and 20,000 Infantrymen go into action on a battle-front 3,000 miles away, nothin to it,, and I pulled out a clippin which I'd torn out of a newspaper the night before and reread it.

Accordin to this article, a man over in England has been baffin scientists with his ability to do figures in his head faster than an addin machine. A bunch of these British scientists asked him to multiply 854,736 by 395,627 and he got the correct answer in five seconds. It took the scientists twenty seconds to get the same answer on a calculating machine, although of course them scientists may not have even known how to use an addin machine.

Now some people seem to get a delight out of this, arguin the machine will never replace the human brain. I don't look at it that way. There ain't no race, as far as I'm concerned.

I understand all right that if you figured up for example the amount of work it takes to get the money to buy an electric water pump for your well, plus the amount of work it took to make the pump, plus the amount of work it took to make the tools the pump is made from, plus the amount of work it took to make the tools that made the tools, etc., on back as far as you want to go, it might turn out that it takes as much total work to lift a barrel of water out of a well with an electric pump as it does with a rope and bucket, but the point appeals to me is somebody else did most of the work, all that's left for the man with an electric pump to do is turn the switch on, and you don't even have to do that with most pumps, they turn themselves on and off.

Personally, I ain't exactly what you'd call a lightning calculator, but I've always been able to figure a little and I want it understood I'm not in any race to see if I can beat an addin machine, any more than I want to see if I can draw water out of a well than an electric pump. It may be true it takes as much total work to plow an acre of land with a tractor as it does with a walkin plow, figurin all the work it took to make the tractor, but you won't catch me wakin when I can ride, or ridin either when I can stretch out in the sun.

This bird that can add faster than an addin machine, he ain't no threat to the addin machine people. They can't make too many machines to suit me.

Yours faithfully,
J. A.

Bigger and Better than ever!

Come in and see . . . value check . . . and test drive a Ford today!

No doubt about it . . .

Ford's the one fine car in the low-price field !

Feature after feature . . . part after part . . . Ford is as fine as the finest . . . yet it's priced with the lowest.

No car ever built has won such enthusiastic and growing preference as the '53 Ford . . . and no wonder. For no other car with such a wealth of fine-car features costs so little as Ford.

Yes, Ford, with all its fine-car quality, is offered at a price that's easy to pay.

You can have a Ford with a V-8 engine—the same type of engine that powers America's most expensive cars—for hundreds less than many Six-cylinder cars. And a Ford powered with the high-compression Mileage Maker Six costs even less.

Then, too, Ford's body is built like the best, with steel body panels of the same quality and thickness as in the most expensive cars.

Ford also proves that a car doesn't need to carry gas-thirsty extra weight to "gentle" you over the bumpiest roads! For Ford's smooth, level ride blots out the bumps . . . cuts front end road shock alone up to 80%!

Also, you can have your Ford V-8 with Master-Guide, the last word in power steering. Master-Guide cuts up to 75% of turning effort yet it leaves you with the natural "feel" of steering on the straightaway.

There are many other fine-car features, too! Ford Full-Circle Visibility . . . foam-rubber cushioned seats front *and* rear on *all* models . . . finishes that are *baked* on over a complete rust-proofing treatment . . . to mention a few.

It takes *all* these features to make a fine car *truly* fine . . . worth more when you buy it . . . *and* in resale, too! A survey of used car lots proves that people are willing to pay a larger percentage of the original cost for year-old Fords than for *any* other used cars. No doubt about it, Ford's your best buy!

Worth more when you buy it . . . worth more when you sell it!

O. J. Thomas Bulldogs Lose To Temple Panthers in Opening Game

The Cameron Bulldogs of O. J. Thomas High School opened their 1953 season September 9 with the Dunbar Panthers of Temple. The game was played in Temple, although this was Dunbar's year to come to Cameron. A schedule conflict made the change necessary.

The Bulldogs lost to Temple by a score of 6-0.

Cameron fought surprisingly well as the team is composed of new and first year boys, with the exception of five second year boys. The Bulldogs had lost 13 boys from last season's squad.

The Temple team had most of its reserve to pull from, losing only one man from its last season's 175 pound line. Their line was a seasoned line but Bulldogs Bradley, Campbell and Captain Kelly wiggled through it.

Principal C. L. Sadberry gave accounts of several Bulldog players' actions during the game. Freeman was on quarterback position for most of the game. The Boyd brothers, John and Edward, both new to the team and to football, were exceptionally good, John on end and Edward, 119 pounds, on offensive center. Malone was fine on guard. Biggers, a veteran of the old team, was in on most of the Temple plays. Other outstanding players were Roberts, Petty, Dickey, Turner, and Debose.

Temple scored forty seconds before the end of the first half with a push-over from the one-foot line. Prior to the score Cameron had been given several offside penalties.

The Cameron team played in Temple's territory most of the first quarter and threatened to score on Temple's 12-yard line early in the quarter. Cameron also passed continuously from the Temple 40 to the Temple 15 yard line in the fourth quarter, but failed to score, Sadberry said.

The Cameron team's average weight is 138 pounds. The Temple team averages about 165 pounds with an average of 175 pound linemen.

Full Schedule Of Conference Games To Be on Radio, TV

Southwest Conference football games will be brought into the living rooms of Texas fans via radio this season for the 20th consecutive year by Humble Oil and Refining Company.

A full schedule of Conference games plus all intersectional games played by Conference schools will be broadcast over networks comprising 58 Texas radio stations. Forty-five games in which Conference schools appear will be heard on the radio. Schedules are so arranged that fans have a choice of several different broadcasts each weekend.

West Texans will be able to follow Texas Tech games over a network of West Texas stations in other Humble broadcasts.

Kern Tips of Houston, well known play-by-play announcer who has handled Humble's Conference broadcasts for the last 18 years, will head the announcing staff. On the staff are such familiar sportscasters as Ves Box of Dalias, and John Ferguson.

Supplementing the football broadcasts will be a 30-inmute TV program on Monday and Tuesday nights. The program, which replaces "Texas in Review" during the football season, will show highlights of the preceding Saturday's games.

Kern Tips, who knows Conference teams and style of play, will comment on the highlight plays. He will explain how the interesting plays came about.

The football highlights program will be telecast on Monday nights over WBAP-TV, Fort Worth; KRLD-TV, Dallas; KPRC-TV, Houston; KWFT-TV, Wichita Falls; and KRBC-TV, Abilene.

On Tuesdays it can be seen on KTBC-TV, Austin; WOAI-TV, San Antonio; XELD-TV, Brownsville; KDUB-TV, Lubbock; and KTXL-TV, San Angelo.

Sgt. Benard Polzer Gets Discharge From Marine Corps

Marine Sergeant Bernard F. Palzer, son of Mr. and Mrs. S. E. Polzer, Jr., Rt. 1, Cameron, Texas has been discharged from active duty with the United States Marines after completing three years of active duty.

Sgt. Polzer enlisted in the Marine Corps in August 1950 at Waco, Texas and was stationed at Camp Pendleton, Calif., prior to his discharge from the Marine Corps.

Pink Easter Egg Laid Here By Hen

The Easter rabbit got his seasons mixed up, it seems.

W. M. Brown of Maysfield exhibited Wednesday an egg with pink and purple markings on one side. The egg, of large circumference, was said by Brown to have been laid by a Rhode Island Red hen.

Brown stated that he had gathered the egg about two hours after it was laid and that no paper, cloth or other material was anywhere around the nest to cause the coloring.

If the hen would just cooperate next spring, Brown could have his own Easter egg hunt.

Mr. and Mrs. Obie Slaughter of Box 115, Thorndale, are the parents of a new little girl, Debra Lee, born Sept. 7 at 9:45 a. m. She weighed 8 pounds.

A hunt for drouth resistant plants is now being made in the drouth area by the Texas Agricultural Experiment Station. Sought are propagating stocks of native range, pasture and forage plants which appear resistant to drouth.

Born Tuesday morning at St. Edward Hospital was a baby girl weighing 8 pounds and 10 ounces. She is the new daughter of Mr. and Mrs. Clifford Warren of Cameron.

Mr. and Mrs. David Eaton of Chriesman are the parents of a baby boy born at Newton Memorial Hospital Sept. 6. He weighed 8 pounds, 3 ounces. The child's name is David Brinkley Eaton, Jr.

FOOTBALL IS BIG BUSINESS

In order that football fans might realize the extent to which football has progressed during the last few years, we are listing a cost of athletic equipment. Each time you see the YOEMEN High School football team take the field each man is equipped as follows:

Headguard	$ 15.40
Shoes	16.95
Shoulder Pads	15.95
Hip Pads	10.95
Game Jersey	10.50
Game Pants	21.50
Sox	.95
T. Shirt	.80
Supporter	.75
Belt	1.00
Tape	1.00
Hood	23.50
	$119.25

Workout Equipment

2 Workout Jerseys	$3.70
2 T Shirts	1.50
2 Sox	1.90
2 Supporters	1.50
Workout Pants	5.95
	14.55
Duffle Bags	3.00
	$17.55

Thus it will be seen that each member of the Athletic Football Team is equipped with $136.80 worth of equipment. This does not include such incidental items as game balls - $14.95 each, practice balls - $11.95 each, first aid material, doctor and hospital bills, food, officials, cost of printing tickets, upkeep of the field, etc.

School officials urge interested football fans to feel free to examine the school records at any time.

Two Alcoa Workers Killed In Crash

Two Alcoa men were killed Thursday night when their light plane crashed into the ground on a farm inside the Taylor city limits.

The dead are Thomas Gardner Cain and David Truett Chandler, both 36 and both employed by the Aluminum Company of America in Rockdale.

Mrs. Lula Mae Slater of Bay City visited here this week. She is a native of Cameron and lived here until she and her late husband moved to Bay City where she has reared her family. Mrs. Slater was a popular saleslady here for many years for a prominent merchant, and was highly regarded by a large group of friends who welcome her return visits.

Detroit Studies Sales of "Continental" Studebaker

By a WALL STREET JOURNAL Staff Reporter

DETROIT—Studebaker, which was a big factor in setting early-postwar auto styles, may now be setting the pattern for the next few years.

Its 1946 model, designed with lavish use of glass by Raymond Loewy, was the first completely redesigned postwar car. The South Bend, Ind., concern made no further major change until its current 1953's; with these it introduced low, rakish "Continental" styling. Also designed by Loewy, the new model cost $27 million to introduce, double the 1946 cost.

A top Detroit stylist, employed by a rival manufacturer, says that the current Studebaker will affect the future looks of more competitive makes than the industry would like to admit.

DAV Assists Where Medical Care, Food Needed by Disabled

Each Cameron resident can help the Sam Tyson Chapter of the Disabled American Veterans do a great job by buying a Forget-Me-Not on Saturday, September 19. The total amount contributed on that day will be used in DAV work **only in this community.**

One of the most important messages the Disabled American Veterans has conveyed to the public is that often disabled veterans find themselves in need and at those times they need help.

The veteran may be in temporary financial distress because his claim for compensation has been determined by the government. Other veterans, who are partially disabled, many times find themselves too ill or handicapped to keep up full or part-time employment. In these and other instances the DAV has stepped forward to lend a helping hand to those war handicapped who are in want.

There are many times when the Sam Tyson chapter in Cameron is called upon for assistance in emergency cases which require the expenditure of funds for medicine, clothing, food and ambulance fare.

Each dime and dollar received Saturday for these blue flowers of remembrance will prove to the disabled that we **Forget Them Not.**

TO WHOM IT MAY CONCERN:

WHEREAS, the City of Cameron and Milam County has a large number of Disabled Veterans among its citizens and, the Sam Tyson Chapter No. 18, DISABLED AMERICAN VETERANS, is giving assistance to these worthy citizens and buddies hospitalized in the Veterans Administration Hospitals in this area, with funds collected through their annual Forget-Me-Not Drive.

The Forget-Me-Not is a small blue flower which reminds all of us that those who have given a part of their health on the field of Battle to preserve the Freedoms we enjoy in America today, shall not be forgotten.

To commemorate the spirit of "Forget-Me-Not" and keep it ever-present, I, in behalf of Sam Tyson Chapter No. 18, DISABLED AMERICAN VETERANS, declare, Saturday, September 19, 1953 as "Forget-Me-Not Day" for the city of Cameron.

Signed:

O. B. Horstmann, Mayor.

Mrs. Stubbs Speaks To Delphians On "Americanism"

The president of the Texas Federation of Women's Clubs, Mrs. Wan Hood Stubbs, was the guest speaker at the Delphian Club meeting Tuesday at the Country Club. Mrs. Stubbs' theme was "Americanism, Our Heritage."

Miss Mildred Thornton presided at the meeting. Group singing was led by Mrs. Magers and Mrs. Hilliard Thomas, who sang "The Lord's Prayer."

The federated clubs from the surrounding cities, Caldwell, Calvert, Rockdale, Rosebud and Chilton and other study clubs from Cameron were guests.

Acting as hostesses were: Mrs. Carroll Green, Mrs. A. W. McCullin and Mrs. Cecil Criswell from Buckholts.

An autumn theme was used throughout. Castor bean berries, leaves, pyracantha and fall grass were centered around wrought iron, brass and copper containers.

Coffee, cookies and glazed grapes were served.

OIL WELL NEAR BELTON SHOWS PROMISE IN TEST

In the latest Bell County test in which there is some local interest, the Leta McDaniel Well No. 1, located four miles southeast of Belton between Belton and Little River, has begun to show some promise.

Two feet of oil sand in sandy shale was detected at 1,310 feet, and another four feet of oil-bearing sand at 1,316 to 1,320 feet.

The well drilled into the pettit at 1,320 to 1,335 feet. There was eleven feet of saturation in the pettit line which could or could not indicate a profitable producing well.

A drill-stem test was being run by the Johnson-Tool Company Thursday morning. Hughes Engineering Laboratories at Fort Worth is doing the logging on the well.

Cameron Theatre Schedules 3-D Film Adventure

"Island in the Sky," scheduled to be shown at the Cameron Theater on Sunday and Monday, September 20 and 21, has been canceled in order that another of the new three-dimension films may be shown.

"Devil's Canyon," starring Virginia Mayo and Dale Robertson, is Howard Hughes' new three-dimension release. It was filmed in Arizona territory and represents the 1897 frontier days. This exciting film will be shown next Sunday and Monday at the Cameron.

Pvt. Bob F. Melton Now Training With Fort Bliss Artillery

Pvt. Bob Fleming Melton, son of Mr. and Mrs. John Melton of Cameron, recently began his basic training at Fort Bliss near El Paso.

Pvt. Melton, who entered the army on August 18, is a member of Battery C, 12th Training Battalion at the Anti-Aircraft Artillery Replacement Training Center.

His first eight weeks of training will be spent learning fundamental Army subjects. He will

practice Infantry drill and rifle marksmanship; learn to fire machine guns and bazookas; and climax this first phase of training by a one-week maneuver in the field.

During his second eight-weeks of training, he will learn to fire light and medium anti-aircraft artillery weapons at low-flying and high altitude aerial targets. He will first practice on the weapons in the Fort Bliss gun parks and then travel to the million and a half acre Fort Bliss ranges actually to fire the guns.

At the completion of his training, Pvt. Melton will graduate at a formal parade and retreat ceremony. He will then be eligible for assignment in a permanent anti-aircraft unit.

Mrs. Frank Hanel Hostess To Hoyte HD Club Tuesday

The regular third Tuesday of the month meeting of the Hoyte Home Demonstration Club was held at the home of the president, Mrs. Frank Hanel.

Arrangements of lantana and Queen Anne's lace were used as decorations in the living room.

The meeting was opened with the club prayer and creed. Several familiar musical selections were sung by the members and accompanied by Mrs. Hanel at the piano. The business of the club included the discussion of the final plans for the style show to be held at Simon-George Hall on September 28 at 8 p. m.

Mrs. Alice Hughes, Milam County Home Demonstration Agent, had charge of the program. Mrs. Hughes gave helpful information on making loaf bread, scoring and wrapping it for the freezer.

The surprise package was won by Mrs. Dick Harris.

After the regular business meeting, the members were invited into the dining room for refreshments. The same color theme of orange and white was used. An arrangement of lantana and Queen Anne's Lace in a low bowl was on the dining table. The hostess, assisted by Mrs. Anton Hanel, served a refreshment plate of tuna sandwiches, Ritz crackers with cheese spread, pickles, cookies and punch.

Defensive team scored 8 points.

Highlights

Yoe High line didn't give up a 1st down on running plays after the 1st quarter.

Rockdale had the ball only seven plays in the 3rd quarter.

The Yoemen's chief weakness was pass defense.

Buckholts HD Club Learns to Score, Wrap Loaf-Breads

The Buckholts Home Demonstration Club met Friday September 11, at 2 p. m. in the Home Economics Cottage with eight members and the agent, Mrs. Alice Hughes, present.

The meeting was opened with the reading of the president, Mrs. Zedlitz.

After the reading of the minutes by Mrs. R. W. Wall, a thank-you card was read from the Zedlitz family for flowers sent by the club.

Mrs. Hughes told about some craft books which are being compiled. It was decided to order one of these books for use in the club. Several individual members also bought books.

The group discussed sending handiwork to the Rockdale Fair on October 30-31. There was also some discussion of the style show to be held September 28.

Mrs. Hughes was in charge of the program. She gave an interesting demonstration on "Loaf-breads—Scoring and Wrapping for Freezer."

Mrs. Raney and Mrs. Wall served refreshments of cookies and punch furnished by Mrs. Zedlitz, hostess.

The next meeting will be Friday, September 25, with Mrs. Fred Gresak serving as hostess. Mrs. Clarence Raney will have charge of the program on "New Medicines—Their Effect on Our Family Health." All members are urged to be present at this meeting as new officers are to be elected.

Study Course To Begin at Battetown Baptist Church

A Study Course week will begin at the Battetown Baptist Church Monday, September 21 and continue until Friday, September 25.

Rev. J. Frank Steele, pastor, will conduct the classes which begin at 7:30 p. m. each evening.

All members from the ages of 15 on up will be able to receive credit for this unit of work, Rev. Steele announced.

Officers and teachers of the church were elected at the prayer meeting on September 16. The following teachers were elected: Adult men, J. Frank Steele; adult women, Mrs. D. M. Price; Young Married People, Mrs. J. F. Steele; Young people, Mrs. Ruby Rackley; Intermediates, Mrs. T. O. Mitchell; Junior Boys, Mrs. John Patterson; Junior Girls, Mrs. R. L. Bowen; Primary, Mrs. Stella Thorpe, and Beginners, Mrs. Pete Tindall.

Training Union officers are: Associate Director, Buddy Gilbert and secretary, Miss Shirley Mullinax.

Counselors and sponsors selected are: Young people, J. Frank Steele; Intermediates, Mrs. D. M. Price; Juniors Mrs. R. L. Bowen, and Primaries, Mrs. Wilbur Shuffield.

The newly elected teachers and officers will be installed Oct. 4.

Sixteen members of the Battetown Baptist Church attended the Milam County Baptist Workers Conference in Gause on September 11, and composed the largest group there. The church was, therefore, awarded the attendance banner.

RADIO and TELEVISION SERVICE. ALL MAKES. PARMA RADIO SERVICE.

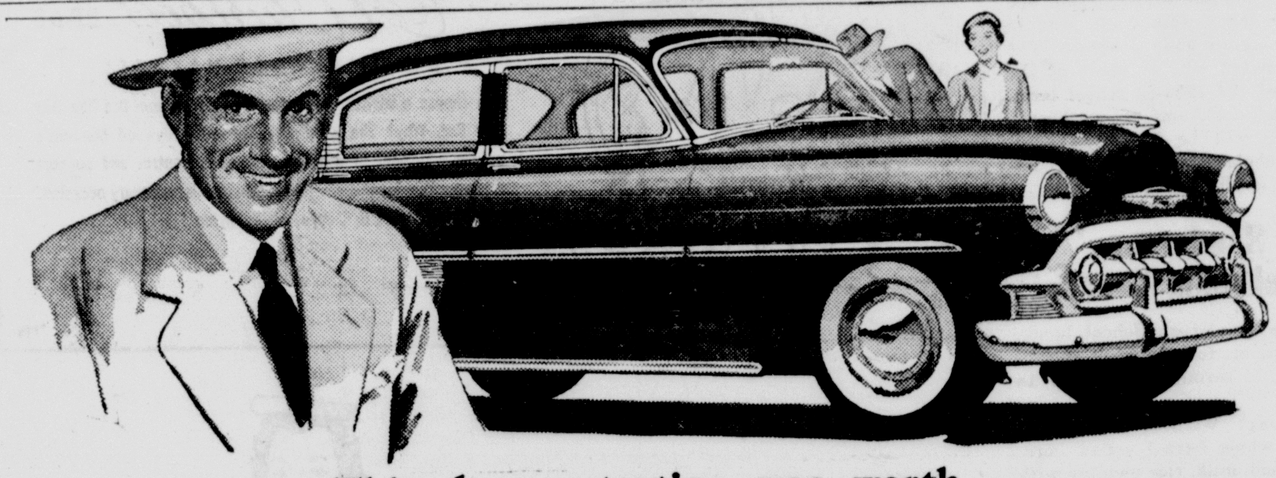
..Let's fry up the one you caught last month, honey...

..it's still as fresh as when you reeled it in from the lake!

Now that we can store our extra catch in our wonderful electric home freezer, we fish for food as well as fun . . . eat fresh trout and other fish when we're hungry for seafood. That home freezer really does great things! It stores so much we save lots of money by quantity buying . . . cooking and baking far in advance . . . storing fresh foods when they're cheapest and tastiest.

That electric home freezer was really a prize catch. And that's no fish story! Look them over yourself at electrical dealers' stores.

TEXAS POWER & LIGHT COMPANY



This demonstration was worth many hundreds of dollars to me!

I thought only a higher-priced car would suit me. But then I found out how much more Chevrolet offered for how much less!

You're "sitting pretty" behind the wheel

Take this Bel Air model. First thing you'll notice is the quality of the interior. Rich-looking appointments. Roomy seats with foam rubber cushions. Turn the key to start the engine and you're ready to go.

You can see all around

You look out and down through a wide, curved, one-piece windshield. The panoramic rear window and big side windows provide a clear view in all directions.

You get more power on less gas

That's because Chevrolet's two great valve-in-head engines are *high-compression* engines. In Powerglide* models, you get the most powerful engine in Chevrolet's field — the new 115-h.p. "Blue-Flame." Gearshift models offer the advanced 108-h.p "Thrift-King" engine.

Biggest brakes for smoother, easier stops

An easy nudge on the pedal brings smooth, positive response —right now! Chevrolet's improved brakes are the largest in the low-price field.

It's heavier for better roadability

You're in for a pleasant surprise at the smooth, steady, big-car ride of this new Chevrolet. One reason is that, model for model, Chevrolet will weigh up to 200 pounds more than the other low-priced cars.

You get greater getaway with the new Powerglide*

A lot finer performance on a lot less gas. That's what you get with the new Powerglide automatic transmission. There's no more advanced automatic transmission at *any* price.

And it's the lowest-priced line

A demonstration will show *you* that Chevrolet offers just about everything you could want. Yet it's the lowest-priced line in the low-price field.

*Combination of Powerglide automatic transmission and 115-h.p. "Blue-Flame" engine optional on "Two-Ten" and Bel Air models at extra cost.

Let us demonstrate all the advantages of buying a Chevrolet *now!*

Milam County Men To Serve on Alcoa Scholarship Group

Works Manager J. D. Harper today announced that four prominent Central Texas men have agreed to serve with him on the Sponsoring Committee of Alcoa's college scholarship program for sons and daughters of Alcoa employees.

The Sponsoring Committee is composed of Mr. Harper; John C. Solomon, minister, Cameron; George Bredt, rancher, Rockdale; C. A. Wuensche, businessman, Thorndale; and John M. Griffith, president of City National Bank, Taylor.

The job of the committee is to set general policy for the award program and choose a Selection Board which will handle the mechanics of screening candidates and making final selection of winners.

Rockdale Works will grant one $2,000 scholarship each year in the company-wide program. The first award will be made at the close of the 1953-54 school term.

Final selection of applicants eligible will be based on need, high scholastic standing and leadership qualities.

Youth Team Presents Yoe High Assembly Program On Monday

Hoyt Mulkey, Ginger Moon and Tom Chism, the Youth Revival team at the First Baptist Church, presented an entertaining program in Yoe High School assembly Monday morning.

The trio of young people was introduced to the student body by Tom Collins.

Hoyt sang several songs, accompanying himself on the ukulele.

Miss Moon gave her testimony and Tom Chism invited the audience to attend the morning and evening services of the revival, at 7 a. m. and 7 p. m.

On September 15, 1942 the carrier WASP, while covering a movement to land reinforcements and supplies on Guadalcanal, was struck by three torpedoes from a submarine and was so badly damaged that she had to be sunk.

Pvt. R. Alejandro Now Training With Artillery Company

Pvt. Reymundie Alejandro, son of Mr. and Mrs. Flancio Simona of Cameron, recently arrived at Fort Bliss. He will begin a course in anti-aircraft artillery training

at the Fort's huge Replacement Training Center.

The first half of the 16-week course will be spent in basic training on fundamental Army subjects. After learning Infantry drill and rifle marksmanship and the firing of machine guns and bazookas, the soldiers in this group will go on one-week maneuvers in the field.

Their second eight weeks will see them firing light and medium anti-aircraft artillery weapons at low-flying and high altitude aerial targets. They will first practice on the weapons in the Fort Bliss gun parks and then travel to the 1,250,000 acre Fort Bliss ranges to fire the guns in simulated combat conditions.

A formal parade and retreat ceremony will climax the 16-weeks course. Each soldier in the unit will then be eligible for assignment in a permanent anti-aircraft artillery unit.
